

Hi Folks, as a Committee we have decided to produce a quarterly newsletter to keep all NSDA Members aware of any decisions and purchases that we make.

For those of you that may not have attended our AGM, Mr Brian Knight , was unanimously elected as President of our DA in recognition of all that he has done over the last 20+ years

Since our AGM in April we have done the following:

- 1 As the speakers and disco lighting used for our social events belonged to Mr Brian Knight we have purchased 2 new speakers and stands and 2 disco lights, extension cables and surge protected multi-sockets. We have also purchased 2 small monitor speakers to use at the rear of halls and the Marquees.
- 2 At the Easter Meet we discovered that the green trailer used to transport the Marquees was rotten. Gordon spent most of the weekend trying to repair it but we have since found out that the axle is also rotten. We are currently trying to obtain a replacement trailer at a reasonable cost. We are hoping that once we have this new trailer we will be able to take the small Marquee to weekend Meets and THSs if required.
- 3 At the Regional AGM in May our Webmaster, Mick Flaherty was awarded with the Trophy for best website.
- 4 The Regional charity this year is The Alzheimers Society and over £2100 was raised at the Meet with over another £800 pledged. This means that we have already exceeded last years total amount.

Any items you would like included in the next Newsletter, please contact Sue (PRO), pro@northstaffsda.com. This Newsletter will also be available on our Website.
