

Hi Folks, welcome to issue 2 of our quarterly newsletter.

Since the last newsletter we have done the following:

1. The 2 new small speakers were used for the first time at the Birthday Meet and improved the sound quality in the small Marquee. The Birthday Meet was well supported and made a profit for the DA. The chip lunch proved to be very successful!
2. Cath and Gordon Beech donated a trailer chassis to the DA and Gordon has spent a lot of time converting it into a trailer suitable to carry our Marquees
3. The first booking forms were released for the Halloween and Bonfire Meets. Currently we have 5 places remaining for Halloween , please contact Sue Bourne if you wish to book one of these on a first come first served basis.
4. The booking forms for the Christmas party and New year will be available from the 1st of September, and again, one weeks priority booking will be given to those Members who have 8 Meets. Please note that anyone wishing to book the Christmas party but not wanting to camp will have their £5 deposit returned to them at the Party. All bookings for New Year must be accompanied by a £25 deposit.
5. The Stewards buffet will be held at Bickerton Village Hall on Saturday 7th October at 5.30pm. The invitations to all of the Stewards have now been sent and the closing date for replies is 1st October. If you have not Stewarded a Meet for us in 2017 or are not planning to Steward in 2018 you can still attend the Stewards Buffet but there is a charge of £5 per person and you **MUST** let me have your names so that we can cater for you.
